A LITTLE CARE GOES A LONG WAY

01 Treat them gently.

Use your fingertips, not your nails, to open, peel, and lift.

02 Protect your set.

Wear gloves for cleaning. Avoid picking at edges or embellishments.

03 Keep care simple.

Keep hands clean and dry. Follow the aftercare instructions provided with your service.

04 Remove with care.

Never force, bite, or pull off your set. Follow your adhesive instructions or ask your nail artist.

05 Stay in touch.

For a repair, removal, or advice about your set, contact Numen Nails.
